STATE STIMULUS PACKAGES

NSW - NEW SOUTH WALES

- **Faster Payments scheme** - The NSW Government is fast-tracking the payment of suppliers and contractors to help businesses maintain their cash flow. Suppliers to benefit will include a range of small to medium businesses from catering and cleaning companies, medical supply companies, local regional suppliers and community service groups.
- Construction sites can now operate on weekends and public holidays under new rules introduced today by the NSW Government to support the industry during the COVID-19 pandemic. The Environmental Planning and Assessment (**COVID-19 Development – Construction Work Days**) Order 2020 is now in place and will continue until the COVID-19 pandemic is over, or the advice of NSW Health changes.

The Planning System Acceleration Program

- create opportunities for more than 30,000 construction jobs in the next six months
- fast-track assessments of State Significant Developments, rezonings and development applications (DAs), with more decisions to be made by the Minister if required
- support councils and planning panels to fast-track local and regionally significant DAs
- introduce a 'one stop shop' for industry to progress projects that may be 'stuck in the system'
- clear the current backlog of cases stuck in the Land & Environment Court with additional Acting Commissioners
- invest \$70 million to co-fund vital new community infrastructure in North West Sydney including roads, drainage and public parks to unlock plans for the construction of thousands of new houses.
