MENTAL HEALTH AND WELLBEING PANDEMIC PLAN

- The Mental Health and Wellbeing Pandemic Plan has three core objectives to:
- Meet the mental health and wellbeing needs of all Australians to reduce the negative impacts of the COVID-19 pandemic in the short and long term;
-
- Outline seven key principles and 10 key priorities to inform the jurisdictions as they respond to the challenges of COVID-19 during the response and recovery from the pandemic
- Define governance, coordination and implementation requirements across jurisdictions to facilitate informed planning and decision making
National Cabinet noted that the Commonwealth will invest \$48.1 million in the plan
